SECTION A: COMPREHENSION & POETRY (15 Marks)

Read the passage below carefully and answer questions 1 to 5.

Digital literacy has transformed how pupils learn and communicate in modern schools. With access to tablets, computers, and the internet, learners can explore interactive books, watch educational tutorials, and collaborate on group projects across distant locations. Technology also enables teachers to tailor learning materials to match each pupil's unique pace and style.

However, the digital world presents challenges. Excessive screen time can lead to eye strain and reduced physical activity. Furthermore, exposure to unverified internet content requires pupils to develop critical thinking skills. To enjoy the benefits safely, learners must practice self-discipline and follow online safety rules.

1. State two ways technology helps pupils learn according to the text. (2 mks)

.....

2. How does digital learning assist teachers in the classroom? (1 mk)
